9 <!--Add a background color and font colors-->
10
11 This site is about links and lists.
12
13 <h1> LISTS </h1>
14
15 <!--Add an unordered list of 5 famous computer scientists - at least ONE must be a woman-->
16
17 <!--Add an ordered list of at least 3 digital or computing innovations you would like to own or
18 use one day. This can be devices or programs, apps-->
19
20 <h1> LINKS </h1>
21
22 <a href="https://www.wpdavidson.org"> Visit the School's Website </a>
23
24
25 <p>
26
27
28 <center>
29
30 Pictures can also be links. </p>
31 <!--Find a picture of a computer from the 1960's and save it as vintage (either a jpg or png).
32 Remove background as needed.-->
33
34 <a href="http://info.cern.ch/hypertext/WWW/TheProject.html">
35   <img src = "vintage.jpg" alt = "The First Website" style = "width:275px;height:200px;border:0;">
36 </a>
37
38 </center>
39
40 <!--add a 3rd Link (using either a picture or text) to a technology or computer company or
41 program that you USE-->
